### DESCRIPTION

Nine tracks recorded for German TV in 1973 give a fascinating insight onto how **Thin Lizzy** would develop into one of the world's biggest rock'n'roll bands. This three-piece line-up emphasized their roots in blues and folk, illustrated by two versions of hit single "Whiskey In the Jar." Four of the tracks included here were not included in the studio LPs that the band released at this time. Recording quality is very good. The LP comes with full credits and extensive sleevenotes.

### TRACKLISTING
