DESCRIPTION

Remix package deluxe! **Ede & Deckert** (featuring **Sargland**)'s catchy new wave post punk hit *Immers* gets the special treatment. Their tale of lover's grief or delight is being put through the mangle by a varied bunch of remixers. Known to be without fear of emotional peaks and blessed with the usual sense of delight, they manage to hit the nail on its head. The **Venice** remix is a master class in vintage sounds coming through new speakers: primed for the prime time, while the **Salford** version does exactly what the name implies: for lads and lovers. Followed up by the simplicity of grass roots house music. **Cinthie** channels her inner **DJ Duke** and choreographs the indie dance steps back to basics. The **Curses** vocal keeps the instrumental, stays in the original vibe, but switches the vocals – and the language. Finally, **Kid Simius** takes listeners on a bumper car ride somewhere between **Miami Sound Machine** and **Yazoo**. *Immers* works its magic in every way for everyone and now on almost any dance floor.
