### DESCRIPTION

The third album by **Rico Friebe** is a clearance, an outcry, an universe within itself, a hope and a message at once – sending out **Anthems For A Lost Generation!** After his preceding albums of intimacy *Word Value* (RELTIME 005CD, 2023) and *Faces Meet* (RELTIME 006LP, 2023), based on personal tragedies and the accompanying struggles, Rico Friebe has something to tell to a whole generation and delivers ten radiant and distinct top-notch productions that find a most modern and futuristic sound within different styles of pop music while his soft and emotive voice is hovering above all. Originally, *Anthems For A Lost Generation* has been recorded as an acoustic double-album, but Rico Friebe threw it all out, wrote new songs and found a truly more fitting sound after he realized that there could only be one musical outcome to tell these stories: Songs like "Bad Seed," "I Like Memes," "Redo," "Games," or "Lazy, Bored And Sad" are milestones of capturing a complete zeitgeist and beyond. Each line within the lyrics is taken from close and personal experiences and interactions that made him undergo a whole spectrum of emotions, creating deep worries and sadness, but also a far hope. Feel lost? Be found! With *Anthems Of A Lost Generation*.
