Store Price

**\$22.79**

Release Date

**12/13/24**

Territory

**NORTH AMERICAN EXCLUSIVE**

Genre

**FILE UNDER - A - ROCK**

### DESCRIPTION

Limited edition pressing of 500 copies worldwide. All pressed on olive green vinyl, housed in a full color sleeve with leather effect laminate, with hype sticker and black polylined inner bag. Continuing Riot Season's quest to get all of the classic early **AMT** albums released on vinyl, the label turns to 2006's *Starless And Bible Black Sabbath*, and with the help of **Makoto Kawabata**'s studio wizardry, it is possible. This latest instalment in the *Acid Mothers Temple Vinyl Archives - First Time On Vinyl* series has been meticulously put together with the help of Makoto Kawabata with the original CD artwork recreated for these vinyl editions from archive photos stored in the vaults at the Acid Mothers Temple in Osaka, Japan and the original audio remastered by **James Plotkin**. Here's what Brainwashed.com had to say upon its original CD-only release back in 2006: "The title track is the meat of the beast, beginning with a minute of booms and gongs reminiscent of a thunderstorm before launching into some slow, heavy **Sabbath**-esque riffs. Squealing guitar and synth effects accompany the vocals of bassist Tabata Mitsuru, whose voice captures some of the sound and feeling of **Ozzy**'s more than it does the melody. The pace is slower than most AMT fare, but things speed up considerably around the eight-and-a-half-minute mark."

### TRACKLISTING

A1. Starless And Bible Black Sabbath (Part 1)

A2. Woman From A Hell

B1. Starless And Bible Black Sabbath (Part 2)

### HIGHLIGHTS

- Continuing Riot Season's quest to get all of the classic early **AMT** albums released on vinyl, the label turns to 2006's *Starless And Bible Black Sabbath*, and with the help of **Makoto Kawabata**'s studio wizardry, it is possible.
