### DESCRIPTION

Limited blood-orange-and-red marbled vinyl. Housed in a gloss finished color outer sleeve with double sided insert. Following 2023's much lauded **Kaliyuga Express** debut *Warriors & Masters*, **Nolla** (Finnish psych/space rockers) and **Mike Vest** (Maximalist guitar guru, **Bong, Blown Out, Drunk In Hell, Artifacts & Uranium, Modoki, Tomoyuki Trio, Mienakunaru**) combine their visions once again and explore dark futuristic mindscapes. They set their sights to the looming eons and gaze through an occult lens. Inspired by classic space rock, driving hypnotic krautrock and bleak synth soundscapes. The ground was laid in improvised Nolla sessions and further ascended with gloomy prophecies and lyrical explorations by **Ilkka** and **Otto**. With Ohto's assertive drums and Teemu's solid guitars the canvas was set for Mike to paint his transcendent multilayered guitars. Bleak and overbearing sights are explored, but the future holds a speck of hope if you are prepared to embrace the darkness. For fans of: **Hawkwind, Can, Sun Dial, Bevis Frond**, space rock, Krautrock. Recorded in Finland and the United Kingdom Winter/Spring 2024.
