### DESCRIPTION

Limited edition of 300. Cyan color vinyl, housed in a reverse board sleeve with hype sticker, polylined inner bag and download code. Stars align and **Oli Heffernan** brings his ever-(d)evolving **Ivan The Tolerable** to Riot Season for sublime entropic drift. Having this time recruited **Christian Alderson (The Unit Ama)** on drums, **John Pope (Ponyland)** on double bass, **Kevin Nickles (Ecstatic Vision)** on flute and saxophone and **Ben Hopkinson** on electric piano – the album was recorded as a quintet, the players barely brushing or breathing a note before the whole thing was done. *Vertigo*, is all claustrophobic, dense and disorientating – like **Sun Ra** sitting in with **Exploding Star Orchestra**.
