DESCRIPTION

2020 repress. ReR Vinyl present a reissue of **Henry Cow's** *Leg End*, originally released in 1979. This was the first time together on record for **Fred Frith, Tim Hodgkinson, Chris Cutler, John Greaves, and Geoff Leigh**. An extension and fusion of the key influences of **Soft Machine** and **Frank Zappa**, the album is packed full of extraordinary tunes, complex but never pompous arrangements, and great improvisations. It defines a whole new world of European music. Indispensable really.
