### DESCRIPTION

Through the eye of the pinkish gate. Soft lights. Cool evening breezes, toxic fumes, burnt champagne and supper for one. Love and longing. Disenchantment. The murky meanderings of **Pinkcourtesyphone**. A gourmet offering befitting a pall party without compare. Attempts have been made in this collection of recordings, obdurate and diegetic, to express anxiety, always, often, and sometimes. *Arise in Sinking Feelings*, an unmistakable Pinkcourtesy mood, simply combines of magic and memory that spin out within moments before delighted senses. This album includes a printed insert of inspiration. Use it to gain maximum benefits from your study of Pinkcourtesyphone. Read and imbibe the insert while you listen to the recording. The Room40 Media Institute recommends the "Double Sensory" method of absorbing sonic information. Its consistent use will greatly increase your powers of concentration and retention. Let your feelings sink as you let Pinkcourtesyphone sink in; its secret can destroy you in its un-yielding grasp.
