DESCRIPTION

One of the most beloved of reggae vocalists, **Dennis Brown** was more popular than **Marley** in his native land and rated "the Crown Prince" overseas for his excellence. *Lovers Paradise* is an intriguing compilation of the early 1990s, gathering work for **Bunny Lee** and colleagues. Along with a retitled "Have You Ever," and "Wild Fire" in the guise of the title track, there is a mix of agreeable love ballads, including Dennis's takes on **Carlton and the Shoes'** immortal "Love Me Forever," and originals such as "Woman I Tell You No Lie" and the devotional "Volga Nagma Fire," plus there's a hot cut of "Sleng Teng" too. D Brown fans take note!
