DESCRIPTION

Color Vinyl LP. e-editor and label-manager whose role in the skinhead scene over the past 25 years has been somewhat crucial. Influenced by early reggae and '82-era UK Oi! and punk, but following in the tracks of Italian skinhead pioneers **NABAT** and **Rough** (90% of their songs are typically sung in Italian), **Klasse Kriminale**'s career has been long and scattered with success. Originally released on the New Rose sublabel "Division Nada" (run by **Berurier Noir**'s singer **Francois**), and long out of print, it was about time that their classic *Faccia A Faccia* from 1991 was available on vinyl again, with its original and extremely distinctive Alteau artwork and 3 bonus tracks! Printed inner sleeve. Poster included.
