### DESCRIPTION

Radiation Records present a reissue of **Icons of Filth's** *Not On Her Majesty's Service*, originally released in 1983. Legendary Welsh anarchist punk band **Icons of Filth** was formed in Cardiff at the end of the '70s, having been known as **Mock Death** and **Atomic Filth** in earlier line-ups. This blistering debut, culled from demos laid in September 1982, was a cassette-only release – the first issue on the Mortorhate label, run by fellow political punks, **Conflict**. Over clamorous drumrolls, jagged guitar and super-charged bass, front man **Stiggy Smeg** spits lyrics fighting against the system, championing animal welfare and a vegetarian lifestyle. This is the band at their rawest and most unfiltered – required listening for punk diehards. Comes with folded poster with exclusive unpublished photo by **Robert Revill**. Splatter vinyl; edition of 100.
