DESCRIPTION

Radiation Records present a reissue of **GBH**'s *City Babys Revenge*, originally released in 1983. After the chart-topping debut *City Baby Attacked By Rats*, Birmingham "UK82" punk pioneers Charged G.B.H. cut *City Baby's Revenge*, their second release for Clay Records, and even though a mere year had passed, *City Baby's Revenge* showed significant progression, **Jock**'s guitar more obviously inspired by metal, the lyrics more explicit and the sound even rawer than before. With a cool take of the **Stooges**' "I Feel Alright" and the reggae/rockabilly-esque "Skanga", this acclaimed winner is the LP that broke the band in the USA and is arguably the best they ever recorded required listening for the band's devotees and all fans of metal-edged hardcore.
