DESCRIPTION

Radiation Records present a reissue of **GBH's** *Leather, Bristles, No Survivors And Sick Boys...*, originally released in 1982. In between the charting debut LP *City Baby Attacked By Rats* and the acclaimed follow-up, *City Baby's Revenge*, the independent Clay Records gathered all their Charged GBH singles for the shocking compilation, *Leather Bristles No Survivors And Sick Boys...*, capturing their versatility, as well as their shit-on-you attitude. The anti-war "Generals" is an early classic, "Necrophilia" tests the limits via an ironic salute to copulating with corpses and there are plenty of other shock-value moments, all delivered with their trademark blend of hardcore, metal, angst, rage and humor. Essential!
