DESCRIPTION

Pink vinyl; limited edition of 150. **Channel 3**, aka **CH3**, was formed in 1980 in suburban Cerritos, about 20 miles southeast of Los Angeles, with frontman **Mike Magrann**, guitarist **Kimm Gardener**, bassist **Larry Kelly**, and drummer **Mike Burton**. Signing to Posh Boy in 1981, their eponymous EP had the hit "Manzanar," which was championed by **John Peel** on the BBC. Posh Boy founder **Robbie Fields** was in the producer's chair for their excellent debut originally released in 1982, *Fear Of Life*, a blistering punk assault on American values. Free from the heavy metal leanings of their later work, this no-holds-barred debut is a must for all fans of So-Cal hardcore.
