DESCRIPTION

Tongue-in-cheek punk act **Toy Dolls** came together in the northeast formerly industrial town of Sunderland, England in 1979 with working-class humor at the forefront of everything and frontman **Olga** breaking up the Oi singalongs with searing guitar assaults. Issued on the independent Volume label as usual, third album *Idle Gossip* continued in the same mold as their first two LPs with "Geordie's Gone To Jail," "Keith's A Thief," "Silly Billy," and the title track all cracking numbers built on Olga and company's irresistible charm; "I'll Get Even With Steven" even gives a po-faced punk nod to **Elvis**. Another great Toy Dolls LP! Includes unpublished exclusive photo by Vive le Rock photographer **Per-Ake Warn** in a folded 40x60cm poster.
