DESCRIPTION

Formed in Lewisham, southeast London, punk band the **Business** joined the Oi! scene after supporting the **Four Skins** in 1981. Debut single "Harry May" hit the Indie charts before the group disintegrated, leading frontman **Micky Fitz** to recruit new members. Then, in 1987, original guitarist **Nick Kent** joined Fitz for heavy metal side project **UK**, with former **Tank** drummer **Mark Brabbs**, channeling their love of **AC/DC**, **Motorhead**, and **Rose Tattoo**. As Kent goes all-out with the hard rock solos and Fitz aims for the melodic, this is a great slice of the new wave of British heavy metal, and a startling surprise for all Business fans!
