Territory

NORTH AMERICAN EXCLUSIVE

Genre

FILE UNDER - L - ROCK

DESCRIPTION

When pioneering no wave act **Teenage Jesus and the Jerks** inevitably split, vocalist/anti-guitarist **Lydia Lunch** launched a solo career that continues to the present with countless reinventions along the way. 2004 downtempo gem *Smoke In The Shadows* sees Lunch in west coast cinematic jazz mode, offset by hip-hop backbeats, Afro-Cuban rhythms and funk. Created by the team of **Tommy Grenas** and **Len Del Rio** of **Anubian Lights**, featuring guitarist **Nels Cline** and saxophonist **Niels Van Hoorn** from **Legendary Pink Dots** with special guest vocalist **Carla Bozulich**. It's the perfect foil for Lunch as Femme Fatale starring in her own B-movie, a film noir soundtrack that both threatens and seduces.
