### DESCRIPTION

Fully remastered! '80s garage rockers the **Fuzztones** had deep roots in the east coast punk scene. Frontman **Rudi Protrudi** got his start in hard rockers **Springhead Motorshark** and formed the influential DC punk act **Tina Peel** with organist **Deb O'Nair**, going on to the Fuzztones with bassist **Michael Jay**, drummer **Ira Elliot** and guitarist **Elan Portnoy**. Debut album *Leave Your Mind At Home* captures the group at their rawest and most unexpurgated: recorded live on a 1984 tour of the Midwest, the group thrills the crowds with riveting takes of obscure '60s nuggets. This is where the journey starts, a loveable warts-n-all set of garage rock bangers!
