DESCRIPTION

London psychobilly beasts **Skitzo** began in the mid-1980s as the **Electros**, when vocalist **Phil O'Connor** began screaming with bashing drummer, **Rod Connor**, bassist **Tony Bronham**, and guitarist **Tony McVey**; by the time they signed to Nervous Records for this brilliantly ghoulish debut LP, drummer **Steve Tomlinson** was on board. Along with freaked-out originals like "Witching Hour," "Possessed," and the crazed title track, there are fun covers of "Lonesome Train," "Caldonia," and "Your Cheating Heart," all transformed the psychobilly way. If you like your psychobilly with the emphasis on the psycho, this one's for you!
