DESCRIPTION

Pagan Psych-Folk Glam Vocal Sounds of the Italian Cinema is a superb collection of extremely obscure gems culled from a variety of forgotten films. Featuring mostly vocal tracks, these songs are dripping with that mid-1960s to mid-1970s exploratory nature of song-craft, from clever and majestic to the ridiculously absurd. Acoustic guitars laced with strings and subtle effects, haunting and moody lyrical tales, and epic ballads that rock – all of them fitting together like an impossible puzzle that most music aficionados of this magical period never knew existed. Stretches of this compilation could accompany an imagined sequel to the *Wicker Man* film made in Italy! A mix of relatively unknown and legendary composers of the time are presented here in this incredible package, which has been lovingly assembled to provide the most pleasurable listening experience available. Legends such as **Nico Fidenco**, **Guido & Maurizio De Angelis**, **Piero Umiliani**, and obscure combos like **The Sorrows** and **The Rage Within** are included among many other artists that combine to make *Pagan Psych-Folk Glam Vocal Sounds of the Italian Cinema* an instantly iconic release. Lavish full-color gate-fold jacket collage artwork with still shots from many of the films represented here. Limited edition pressing of 750 copies. Featuring **Orchestra Cometa**, **Nico Fidenco**, **The Carrie Nations**, **The Sorrows**, **Augusto Martelli**, **Guido & Maurizio De Angelis**, **Raoul Lovecchio**, **Cyan**, **Don Powell**, **Piero Umiliani**, **The Rage Within**, **Charles Cannon**, **Gene Roman**, **Shirley Hammer**, **Phil Chilton/Peter L. Smith**, **Zeudi Araya**, **Canary Jones**, **Melody**, and **Orchestra Di Rockford Kabine**.
