Store Price

**\$10.79**

Release Date

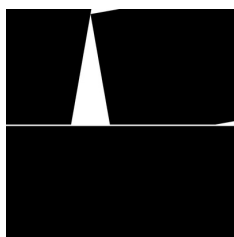

**07/05/24**

Territory

**U.S. EXCLUSIVE (No Exports)**

Genre

**FILE UNDER - M - ROCK**

### DESCRIPTION

**Moon Diagrams** – the solo project of **Deerhunter** co-founder and drummer **Moses Archuleta** – returns with a second album, *Cemetery Classics*. The 12-track album is a co-release between Sonic Cathedral (in the UK and Europe) and Angus Andrew from Liars' new label No Gold (in the US and the ROW) and was mixed by **James Ford**. It features guests including **Anastasia Coope**, **Patrick Flegel (Cindy Lee)** and **Josh Diamond (Gang Gang Dance)**. It's Moses' first new music since 2019's *Trappy Bats* mini-album and the follow-up to 2017's acclaimed debut *Lifetime of Love* and everything seems a bit more extreme – from the **Basinski**-esque degradation of "Neptune" to the **Faustian** industrial noise of "Listen To Me" via **Art of Noise**-style postmodern pop (the first single "Very Much My Promise to You"), **Daft Punk** bangers ("Fifteen Shows at One Time"), trip-hop, shoegaze, **Jan Hammer**, **Depeche Mode**, late **Leonard Cohen** and more.

### TRACKLISTING
