DESCRIPTION

Not Me But Us are a new duo from Naples, Italy formed by acclaimed pianist and composer **Bruno Bavota** (who records for Temporary Residence) and electronic producer **Fabrizio Somma** (aka **K-Conjog**). Together they have made *Two*, a beautiful album that blends both of their influences with added echoes of ambient, techno, 2000s club culture, post-classical and post-rock. It's a stunning record and proof that when two very different musicians meet it's always possible for magic to happen. The eight tracks are a testament to their ability to translate raw emotion into a musical journey, forging a connection that goes beyond sound.
