DESCRIPTION

Space Drum Meditation unveils *Four Tusks*, their debut album and seventh release on the label. This 12-track journey blends tribal rhythms, atmospheric textures, and electronic elements, interweaving darkness and light. The album unfolds like a ritual, revealing a murky, immersive soundscape shaped by primal beats, ethereal ambience, rumbling thunder, and the whisper of rain, reminiscent of a primeval marshland and drawing one into its depths. Featuring a wide array of instruments – including deep percussion, traditional flutes, throat singing, and field recordings – *Four Tusks* crafts a mysterious tapestry that feels both ancient and futuristic, resonating with nature's elements.
