DESCRIPTION

Shout It Out Loud once again collects rare gems from obscure punk bands coming from the western world: US, UK, Canada, Australia and even New Zealand. Names mostly unknown to the major of collectors out there, but really enjoyable in the end. The compilation comes as something unbelievably surprising. 14 bands with rare and hard to find tracks. 14 numbers originally released on 7", covering a period comprised from 1979 to 1983. All songs have been especially remastered for this vinyl reissue, in order to give you back the original uncompromising feel. Indulge yourself in these rediscoveries and your epiphany will be enthralling. Original notes and covers reproduced on the back of the record. Featuring **Strange Ways**, **Brukuku**, **Wozzo**, **Nu-Clear Energy**, **The Romford Stompers**, **Ovenmen**, **Mohawk Mike & Lepcis Magna**, **The Haemorrhoids**, **The Showbiz Kids**, **Gary Quazar**, **3 Leez**, **The Steroids**, **Human Motives**, and **The Relatives**.
