LOVE

DESCRIPTION

Six melodious pieces. This music embodies the nonsense of life during crucial times humanity is undergoing. It's believed that digestion plays a highly important role in the well-being of earthlings and balance; the immortality of sound within the cosmos of abnormal ideas and thoughts. This album says more than can be mentioned, **Psychedelic Digestion Therapy** have no doubt that this record will do its duty in fulfilling its purpose in your mind. While recording these songs, light-hearted artists were able to combine our digested voices with the exact sentiments depicted in humankind's pivotal moments of loneliness. The group hereby create a soothing inner feeling in our listeners. This album says more than can be mentioned, **Psychedelic Digestion Therapy** have no doubt that this record will do its duty in fulfilling its purpose in your mind. Edition of 350.
