### DESCRIPTION

A very welcomed reissue for this rare **Jackie Mittoo** album, originally released in 1979 on unknown label, Rite Sound inc. The original release was sold without a jacket, adding a mysterious vibe to the whole thing. The dubby effects-intensive sound of the album extends from "Russian Satellite" to the whole side A, with "Harder Than The Rest," "Stepping Tiger," and "World Of Love" being an excellent triptych of note. The thrill of Jackie's crazy keyboards intertwining with the floating dub sound like a heavenly space is beyond description. Space is the place.
