DESCRIPTION

Two decades in, one of dance music's most celebrated DJs, producers, label owners, A&Rs, broadcasters, and tastemakers has big plans for this anniversary. **Anja Schneider** unveils an expansive rework and remix package on her benchmark-setting imprint, Sous Music. Some of her best-loved tracks are there in less familiar forms. Featuring fresh takes from Anja herself on seven of her favorite tracks plus a wealth of heavyweight remixes: **Paramida & E-Talking, Radio Slave, Scuba, JakoJako, Julian Muller, Cassy, Deetron, Leafar Legov, Erobique, Jaymie Silk, and Ackermann** all being part of the impressive collection. "The project includes new versions of my favorite tracks from the last 20 years and remixers who have accompanied, influenced, and currently impress me. Each artist holds a special connection for me," says Anja in anticipation of this milestone release. 3LP release with gatefold sleeve and download card.
