DESCRIPTION

Reissue. First released in 1963 on Phillips Records, this was **Jorge Ben's** debut album. *Samba Esquema Novo* ("New Style Samba") deliberately sets a new standard in Brazilian music. A beautiful, fresh and vital combination of Ben's percussive guitar and smooth/rough voice backed by big band style horns, percussion (the great **Dom Um Romão**), and strings. In 2007, it was listed by Rolling Stone Brazil as one of the 100 best Brazilian albums in history. But it's important to remind you that this is the album that contains the first original version of "Mas Que Nada", one of the most popular songs in the world. Clear vinyl.
