### DESCRIPTION

The third chapter of the *Milano Undiscovered* series, curated by **Fred Ventura** takes listeners on a journey through the vibrant Milanese techno and house scene of 1988-1992. This latest installment unveils a treasure of unreleased demos, showcasing the productions that emerged from the city's flourishing underground during this era. Inspired by the pioneering sounds emanating from Chicago, Detroit, London and Sheffield, a wave of Milanese producers embarked on a creative odyssey, crafting their own unique sonic interpretations of the electronic dance music landscape. Featuring **Sigma Tibet**, **B-Logic**, **Grey Area**, **Mont Blanc**, **Straight Beat**, **Love Nation**, **Soul City Crew**, **Visions Factory**, **Periferico**, and **Beat 4 Life**.
