DESCRIPTION

After the release of the *Anthology of Turkish Experimental Music 1961-2014* (SR 390CD, 2016), this new series of recordings unveils the diverse creativity of young Turkish female artists. The majority of these compositions were crafted between 2021 and 2024. The anthology presents works from 15 Turkish female artists, each contributing to the album's beauty through their multifaceted creations. It encompasses various styles, ranging from purely formal music to innovative electronica, incorporating remnants of Turkish harmonies, as well as pieces with conceptual or political undertones, varying in intensity from subtle to overt. Featuring **Aslı Kobaner**, **Eda Er**, **Elif Yalvaç**, **Eylül Deniz**, **Fulya Uçanok**, **Gökçe Uygun**, **Gülce Özen Gürkan**, **Gülsah Erol**, **KAOSMOS**, **Meltem Ural**, **Mine Pakel**, **Pervin Güzeldere**, **Senem Pirler**, **Seinemis**, and **Zeynep Sarıkartal**.
