DESCRIPTION

Buzzsaw Joint was born of a club offering Londoners the chance to revel in the sounds of good ol' trashy rock n' roll in all its vintage vinyl forms. Club top-cat, **Fritz**, then took the primitive buzzsaw sounds online with a series of savage Mixcloud mixes created by record fiends from all over the globe. Now, the high-octane energy of *Buzzsaw Joint* has manifested into the physical form with a run of compilations on Stag-O-Lee. Get your ears around the wild n' weird sounds of the extraordinary and inimitable *Buzzsaw Joint*! As usual with Stag-O-Lee, the label compile two vinyl volumes on one CD into 73-minute/32-track monster! The first 16 tracks come courtesy of **Sophisticated Savage** from Sweden. **Dusty Stylus**, an Australian native, offers another 16-track trip from mesmerizing blues to moody popcorn. Features **Bill Springer**, **Stick Evans**, **Herb Zane**, **The Starfires**, **The Kingston Trio**, **The Don Schraier Rockett**, **The Metallica**, **Blues Blenders**, **Jimmy Uke and his Islanders**, **The Demons**, **Jimmie Raye**, **Doodie Woo**, **Melvin Smith**, **Rhythmaires**, **Ray Johnson**, and **The Scholars**, **Elmore James**, **Two Crows & The Diggers**, **Dennis Roberts**, **Jolly Jax**, **Tommy Williams & The Fingerpoppers**, **Ted Taylor**, **Margo**, **Pearl Woods**, **Grade Wicker**, **Piney Brown**, **Tabby Thomas**, **Billy Ray**, **Otis Blackwell**, **Leo Baxter**, **Big Jack Reynolds**, and **Moose John**.
