DESCRIPTION

Pyramid is an instrumental trio hailing from Nuremberg, Germany. Their new album *Beyond Borders Of Time* is the follow-up to their 2019 debut album. A mesmerizing journey through stoner psychedelia and progressive instrumental rock, it weaves a kaleidoscopic landscape that unfolds like a sonic travel through time and space. Their craftsmanship and heady grooves make them a must-have for fans of bands like **My Sleeping Karma** or **Yawning Man**. The first stones to Pyramid were placed at the house of former singer **Steinmetz (Sascha Dametz)**, together with former drummer **Julian Klusacek**, bassist **Michael Kämpflein**, and guitarist **Shane Saban**. After Klusacek left Germany for Bali and vocalist Steinmetz decided to follow his own path, the band welcomed drummer **Lukas Schomann** on board, opening the door to the now-trio full potential and helping define their sound. After the release of their debut album in 2019, two European tours, multiple shows and festivals appearances in Germany (including performances alongside **Colour Haze** and **Elder**), Pyramid is now ready to unfold its magical seven-tracker *Beyond Borders of Time*.
