### DESCRIPTION

After a debut single in 1977, forward-thinking Edinburgh punk band **The Rezillos** signed to Sire, leading the band to record their acclaimed debut *Can't Stand the Rezillos* in New York, where co-produced **Bob Clearmountain** drew out the best of their abilities. The anthemic "Top of the Pops" reached the UK top-20 and spirited punk covers of **The Dave Clark Five's** "Glad All Over," **Gerry & The Pacemakers'** "I Like It," and **Fleetwood Mac's** "Somebody's Gonna Get Their Head Kicked In Tonight" added to the appeal. The band would soon split and reform as **The Revillos**, but nothing beats the power of this unmatched debut LP. Four bonus tracks included, great stuff!
