

DESCRIPTION

Perfectly timed for Systematic's 20th birthday, the label presents this super special transparent vinyl version of one of the biggest club hits on the label, "Freakin'" by **Blake Baxter** and **Marc Romboy**. Blake has previously released tracks on prestigious labels like Underground Resistance and Tresor. This edition is limited to only 300 copies, and in addition to the two versions from 2005, it features an exclusive and brand-new SID version, which teleports the track into the pixelated worlds of SID and Commodore C64 sounds. Close your eyes and feel like you're in a video game. Don't miss out before it's too late!
