### DESCRIPTION

Formed in suburban Maidenhead by singer **Tony Pook**, guitarist/pianist **Roy Apps**, and guitarist **Robert Collins**, **Heron** solidified when Collins was replaced by guitarist/mandolin player **GT Moore**. After a debut album recorded at the Pook family farm, specially priced double LP *Twice As Nice And Half The Price* achieved a fuller sound with guitarist **Mike Cooper**, bassist **Mike Finesilver**, drummer **Terry Gittins**, and guitarist **Willie Boazman**. The epic set sounds absolutely brilliant from start to finish, with strong vocal harmonies, intricate guitar interplay and excellent musical communication. Arguably Heron at their absolute best!
