DESCRIPTION

Weather Report's long and illustrious career had many twists, turns and revelations. *Live In London* draws on the best moments of performances delivered at the Hammersmith Odeon in June 1983, with former **Chic** percussionist **Jose Rossy**, plus a take of "Corner Pocket" as played at the Dominion Theatre one year later with **Mino Cinelu**. Mainstay **Joe Zawinul** mans the ship alongside saxophonist **Wayne Shorter**, this edition of WR driven by the frantic beats of **Omar Hakim** and the bass of **Victor Bailey**, less showy than **Jaco** yet just as engaging. Initially cut for radio broadcast, fans of late-era Weather Report will love every moment.
