DESCRIPTION

In 2024, the singer and songwriter **Oum** celebrates her fifteen-year career with a live album recorded in Marrakech, which plunges back into the magic of her three flagship records, here revisited in a different light. This seventh album, named *Dakchi*, which means "those things," is the opportunity for this daring off-roader to allow herself a suspended moment for a temporary assessment, a return to her roots. *Dakchi* is the first best-of live album, in which Oum brings together around ten titles from her repertoire woven throughout three albums with identities as singular as they are filled with a common sap: "Soul of Morocco" (2013), "Zarabi" (2015), and "Daba" (2019). It is the expression of typically Moroccan hybridizations – African, Berber and Andalusian – which irrigate the crossbreeding of Oum. It is also joyful and natural fireworks display of polyrhythms which galvanize her music the Marrakech signature, playful, sunny, festive. Oum slips three unpublished pieces, including the sublime Arabic cover of the legendary bolero "Lagrimas Negras," "Toda la Gente," an introduction to "Mansit," signed by Cuban musician **Damian Nueva**, or the delicate "Intidhar," composed by **Yacir Rami**.
