DESCRIPTION

12 tracks originally released on the indie dance label Gomma Records between 2001 and 2010. Along with DFA and Output records, Gomma released a wild mix of electronic dance music, indie rock, underground disco, post punk and new wave funk that was big in the 2000s. Gomma released music by artists like **Peaches**, **Whomadewho**, **The Rammellzee**, **James Murphy**, **LCD Soundsystem**, and artists like **Nick McCarthy** of **Franz Ferdinand**. Here comes a second compilation part of Gomma tracks: **Nancy Whang**, the singer of LCD Soundsystem, WhoMadeWho (the band started their career on Gomma), Italian disco producer **Bottin**, UK Indie Disco hero **The Deadstock 33s** (aka **Justin Robertson**), NY Disco hipsters **In Flagranti**, German producer **Munk**, and many more. Gomma not only was a record label, but was also a home for cutting edge design, wild T-shirt styles, underground exhibitions with new artists from the Berlin scene and crazy poster and fanzine design. Many graphic design trends of the last years were preceded by what the artists on Gomma were doing. Also featuring **Leroy Hanghofer**, **Headman**, **Mercury**, **Golden Bug**, **Cecile**, **Hiltmeyer Inc**, and **Bonar Bradberry**.
