### DESCRIPTION

Toy Tonics *Italomania* Vol. 2 is a compilation dedicated to new Italian disco. 13 young contemporary Italian producers made new organic disco, indie dance, avant pop and house tracks with Italian vocals. Everything on this compilation has been produced in 2023. Fresh dance music by Italian indie electronic star **Myss Keta** together with **DJ Severino** (of **Horse Meat Disco**) and newcomers **Sam Ruffillo**, **Fimiani**, **Magou**, **Tommiboy**, **Daniel Monaco**, **Giovanni Damico**, and new music by artists **Stump Valley** (from **Dekmantel**), **Munk** (Gomma records), **Rodion** (Slow Motion Records) and DJ legend **Lele Sacchi**. The *Italomania* compilation was initiated by Toy Tonics boss **Kapote**. The idea is to show the status of Italian Disco of today. It's like a "manifesto." Kapote invited the most relevant Italian producers to make new tracks with Italian vocals and show different styles of modern Italian disco, dance and house music. with Italian vocals. All tracks compiled by Kapote aka **Mathias Modica** aka Munk. It's a fact that not just in Italy but also in France and Germany there are now artists singing in Italian or using Italian words and names – even if they are not Italian.
