Territory

NORTH AMERICAN EXCLUSIVE

Genre

FILE UNDER - C - ROCK

DESCRIPTION

Comet Gain had actually disbanded in 1997, but **David Christian** didn't want to let the dream die and carried on. Old name, new band. And a new album! *Tigertown Pictures* was first released in 1999 by Fortuna Pop/Where It's At Is Where You Are in the UK/EU and Kill Rock Stars in the USA and is now being reissued worldwide by Tapete Records. *Tigertown Pictures* is a wild ride through all things post-punk, DIY, Indie POP, international pop underground, lo fi, garagebeat and folk and rock. Boy/girl vocals, scratchy guitars, sweet noise and rough melodies, enthusiasm and pain, even some unidentified electronic stuff. It's all there.

TRACKLISTING

01. Record Collection
