

SCAN 7 Dark Territory

Label

TRESOR

Format

2LP

Catalog Number

TRESOR 057X-LP

EAN

4251804144452

Store Price

\$25.99

Release Date

11/29/24

Territory

NORTH AMERICAN EXCLUSIVE

Genre

FILE UNDER - S - ELECTRONIC

DESCRIPTION

Patience is a virtue well-rewarded in techno; finding the right groove to build on then holding your nerve long enough to pay off the wait at the optimum moment is a much more skillful endeavor than it would seem for such a minimalist style. And few display this talent better than Detroit originals **Scan 7**. Part of the hallowed Underground Resistance family, Scan 7 first broke out in the mid-'90s with a series of jacking machine funk 12"s that showcased their savvy for self-control – a faculty they have demonstrated in releases year-on-year since. Highlighting this continuous font of vitality, Tresor Records has returned to the source and is proud to announce the reissue of Scan 7's debut LP, *Dark Territory*. First unleashed on the label in 1996, the album has been remastered from the original DATs by **Mike Grinser**, augmenting already powerful tracks such as the snake-like, teasing "Unusual Channel" (mixed by the master **Blake Baxter**), and the harder-edged "VII" resulting in music that will, without doubt, provoke an enhanced response when the pressure is finally released. Repressed on vinyl with updated artwork, these tracks still sound like a blueprint for the future, testament to the prescience and assurance Scan 7's leader, **Trackmaster Lou**, clearly had when writing "I hope you enjoy my records in the phuture to come" in the sleeve notes nearly 30 years ago.

TRACKLISTING

- A1. Planet Energy (5:56)
- A2. Black Highway (6:18)
- B1. Dark Universe (6:00)
- B2. Unusual Channel (6:41)
- C1. Beyond Sound (6:29)
- C2. Dark Corridor (7:05)
- D1. VII (7:47)
- D2. Dark Territory (7:24)
