DESCRIPTION

Flute, harp, drums: a rare combination that this trio turns upside down. In the wake of **John Zorn**'s experiences on the borders of jazz and noise, the collaboration between **Delphine Joussein**, **Rafaëlle Rinaudo**, and **Blanche Lafuente** aims at pushing their instruments beyond their limits, with the enthusiasm of a mad scientist. It is no coincidence that the three musicians, considered the missing link between **Nirvana** and **Sun Ra**, have already aroused a big curiosity and are constantly touring across Europe. Featuring Delphine Joussein (flute, voice, drums), Rafaëlle Rinaudo (electric harp, drums), Blanche Lafuente (drums). Also featuring guests **Mats Gustafsson** (baritone sax) and **Benat Achiary** (voice).
