DESCRIPTION

The music for *Kranetude*, a performance by **Florentina Holzinger** that premiered in Berlin in June 2023, was composed by **Katharina Ernst** and **Schne**. The powerful composition for four drums and electronics, a collaboration between the artist and drummer Katharina Ernst and Schne, Florentina Holzinger's longtime musical partner, forms the sonic foundation of this unique choreography. On Berlin's Müggelsee, eight performers and a crane merge on the water to create a performance where mechanical precision and organic movement meet. Complex rhythmic structures guide the movement, creating a fascinating interplay between sound and action. Recorded live at Müggelsee Berlin, in the frame of the Leisure & Pleasure Festival on June 29th, 2023. Conducted by **Sibylle Fischer**.
