### DESCRIPTION

Senegalese singer **Faada Freddy** releases a new album entitled *Golden Cages* after a seven-year hiatus. With an organic approach, he uses mainly his voice, hand-clapping and body percussion. The album features original tracks that reflect his critical yet benevolent thinking, tackling themes such as the standardization of thought, lack of reflection and dehumanization in today's society. Faada Freddy defends the idea of freedom, combining conscience and emotion, reflection and wonder. The album also celebrates the singer's African roots and expresses his attachment to his country and continent. *Golden Cages* is an ode to freedom and harmony, a vibrant love song for overcoming divisions.
