### DESCRIPTION

Available on limited-edition white vinyl, only 300 pressed. Includes extended album download. **Ivan The Tolerable** is the alter ego solo project of Middlesbrough based musical wizard **Oli Heffernan**. Aside from his solo work as ITT, Oli has played in numerous bands over the years including **Year Of Birds**, **King Champion Sounds** with members of the **Ex**, **Detective Instinct**, and **Shrug**, and has collaborated with icons like **Mike Watts** of the **Minutemen**, and **J Mascis** of **Dinosaur Jr.** On *Black Water/Brown Earth*, Heff called in the help of his Dutch friends **Mees** and **Elsa** in King Champion Sounds again and wrote the album in a long-distance session. The album feels like an excursion in nature, featuring bird song, flowing water, pots and pans percussion, and a genuine feel of wandering about and experiencing the outside world with eyes and ears wide open. It is a band effort too, with organic sounding drums, the characteristic saxophone, and droning synths.
