### DESCRIPTION

Up In Her Room welcome the incredible **Masal** to the family! Masal is a collaboration between **Al Johnson** and **Ozlem Simsek**. Ozlem is a Turkish multi-instrumentalist whose middle eastern background is entwined with her western studies in classical music. Al performs psychedelic electronic music as **Alien**. As Masal they weave harp, Theremin and electronics into beautiful aural journeys. Having worked with legends such as **Andy Bell** and **Mark Gardener** of **RIDE**, and **Sonic Cathedral**, plus enjoyed radio play from the wonderful **Simone Butler** of **Primal Scream** on Soho Radio, and **Mark Riley** and **Stuart Maconie** on BBC 6 Music, UIHR are very excited for you to see what the pair have been cooking up. *The Galloping Cat* finds this unlikely pair of "neurodiverse nature lovers" collaborating on six meandering tracks of psychedelic grooves, electronic weirdness and motorik basslines mostly wordlessly exploring themes of self-discovery - and it's stunning. Available on limited-edition pink vinyl, with only 250 copies pressed.
