DESCRIPTION

Vinilos Enlace Funk presents the fourth volume of the *Sampladelia* series. After the resounding success of the previous volume, Enlace Funk magazine has selected sounds from funk, soul, and R&B made in Spain 2023 and which are published for the first time on vinyl format. The fourth installment of *Sampladelia* opens with an infectious tribute to **Prince** by **Calequi**. **El Sr. Rojo** then brings a bomb of raw hip hop and funk. **Astrid Jones & The Blue Flaps** delights the listener with their luxury soul, and **Chacho Brodas** (with the production by **Griffi**), surrounded by an all-star of names, offers solid R&B. **Lalo López** ends the side A with his **Limited Orchestra** with their best electro funk hit. The B side starts with **Julia Martín**'s modern soul anthem with a positive message for the dance floor. The second track, the debut of **Donny's Black Shoes**, is a shocking declaration of principles that will give a lot to talk about. **Drunk In Palace** updates the sound of the '80s in a personal way and **Juli Giuliani** brings the groove to the dancers. The last track, "Las paro todas" by **Javier Simón** offers R&B loaded with a message. This volume of *Sampladelia* presents the effervescent and creative new scene of proposals based on funk, soul and R&B made here in Spain and never before published in physical format. Also featuring **Brigitte Emaga Y Kapi One**.
