DESCRIPTION

Viernulvier Records presents its new LP release *Quadric Surfaces* by iconic electronic producer **Hieroglyphic Being** aka **Jamal R Moss**. It collects the soundtracks Moss wrote for *Parallel Spheres* and *Figures in Mynd*, two parts of an abstract animation film by visual artist **Gabriela González Rondon**. The film premiered in October 2023 during Videodroom/Film Festival Ghent. In her surreal and trippy gem of analog filmmaking Gonzales draws up whole universes of movement and color that seem to share a spiritual space with likeminded sci-fi writers such as **Ursula K Le Guin** or filmmaker **John Whitney**. The soundtrack for this dreamy experiment was provided by kindred soul and psychonaut Hieroglyphic Being. Through off-world frequencies and raw primal sounds, *Quadric Surfaces* presents a collection of exploratory left-field dance music. For over 20 years Moss has been an one-off musical explorer that takes inspiration from house, industrial, Kraut, avant-jazz and noise to make his spectacularly unique take on radical and psychedelic (dance) music. Artwork by Gabriela González.
