DESCRIPTION

Violette Records is the label formed as a platform for **Michael Head (Shack, The Pale Fountains)** and has since developed into a cultural hub for music, literature, and the arts. Bright eyed, tousle-headed, and with a look halfway between penitence and innocence, **James Leesley** (aka **Studio Electrophonique**) conjures a sound akin to the dream where **Bill Ryder-Jones** fronts **The Velvet Underground** with echoes of **Cherry Ghost** drifting in there for good measure. Cinematic, melodic, warm – efficient in arrangement yet intricate in detail.
