### DESCRIPTION

*The End* is the fourth studio album by German musician **Nico**. It was recorded in summer 1974 at Sound Techniques studio in London and produced by **John Cale**. It was released in November 1974. *The End* is Nico's fifth collaboration with John Cale and second with him as producer. It carries the same harmonium-based sound heard on *The Marble Index* (HE 68005LP, 1968) and *Desertshore* (HE 70004LP, 1970), with the addition of **Brian Eno**'s synthesizers and electronic instruments. The song "You Forget to Answer" tells of the misery felt by Nico when she failed to reach ex-lover, and **Doors'** singer, **Jim Morrison** by phone only to find out later that he had died. The album was her first since Morrison's death in 1971.
